### **Prayer:**

L. Gracious God, in comparison to this big world the human heart is only a small thing. Yet, though the world is so large, it is utterly unable to satisfy these tiny hearts of ours. Our souls can be satisfied only in the presence of your infinite love. As water is restless until it reaches its level, so we are not at peace until we rest in you. May this time of worship connect us to your love and help us to find that peace we so crave.
