

SOAKING PRAYER SERVICES

Join us in the sanctuary the fourth Monday of each month from 6:30 to 7:30PM for an hour “soaking” in the presence of God.

We start and end with a prayer. Soft music plays while you bask in His presence. Prayer team members will pray for whatever concerns you may have listed on the form provided. The list of your concerns will be prayed for by as many team members as can reach you. You may be asked if we may place hands on you. Turn over the paper, and we will simply stand near you and offer prayers for what God already knows is on your heart. You don't need to fill out a form if you don't wish. In that case, if you may just “soak” and pray quietly; no one will disturb you.

You may even choose to bring a pillow and lie down either on the pew or on the carpeted floor. (Sleep is definitely permitted!)

There is also a prayer book in which you are encouraged to simply enter the first name of those for whom you wish prayer. This book is prayed over by prayer team members as well as those who attend the prayer and communion sessions each Wednesday morning with Pastor Tim.

The more we pray, the more we hear from our Lord.
Childcare is offered.

Paul wrote in Ephesians 6:18 *“Pray at all times and on every occasion in the power of the Holy Spirit.”*
